Welcome to SPA Laboratory

SPA Laboratory, a research community, is formed by Krerk Piromsopa, Ph.D. and a group of faculty members. Dr. Piromsopa is an Assocaite Professor at the department of Computer Engineering, Chulalongkorn University, Bangkok, Thailand. He has been a Lecturer at Chulalongkorn University since 2001. In 2003, he was awarded a scholarship from the Royal Thai Government and obtained a Ph.D. in Computer Science from Michigan State University in 2006.

Our research interests include (but not limited to):

- digital design & verification
- computer architecture
- computer security
- system software

About us

S - System / Security
P - Platform
A - Architecture

Led by Krerk Piromsopa, Ph.D. , we are a group of faculty members, graduate students and undergraduate students at **the Department of Computer Engineering**, **Chulalongkorn University** (Bangkok, Thailand) dedicated to the creation of a better computer system. Our (strong) background is in Systems/Security, Platform, and Architecture. we call our group SPA.

To see the idea of our works and interests, take a look at our publications.
